MEMORANDUM IN SUPPORT

All Parties hereby jointly request that the Court stay the calendar in this case. The parties have been engaged in settlement discussions throughout the past two months in the hope of resolving the case, and the discussions remain ongoing. A telephone conference regarding the status of settlement has been set for November 3, 2014. The requested stay will promote the interests of judicial economy by allowing meaningful settlement discussions to proceed without either Party expending money on further discovery and will promote the resolution of the case through the settlement process as opposed to costly litigation.

Respectfully submitted,

s/Emily C. White
